

**BHAVYA  
INTERNATIONAL**

Quality speaks for itself

## State-of-the-Art Infrastructure

Our manufacturing facilities are equipped with advanced technology to guarantee precision and excellence at every stage.

**Buhler Sortex Technology**  
Industry-leading optical sorting for unmatched purity.

**BRC-Certified Plant**  
Complying with the most rigorous international food safety standards.

**Sesotec Metal Detection Systems**  
Ensuring zero contamination.

**In-House Cargo Stuffing**  
Controlled conditions for safe, hygienic packing and shipping.

From cleaning to sorting and packing, every process is designed to deliver **100% satisfaction** to our clients.

## Why Partner with Bhavya International?

**Custom Formulations**  
tailored to market needs.

**Reliable Supply Chain**  
leveraging our strategic location.

**Proven Export Expertise**  
in multiple cuisines and industries.

**Uncompromising Quality**  
backed by certifications and global benchmarks.

Working with Bhavya International means you gain more than a supplier — you gain a reliable partner who makes your business easier, smoother, and more efficient.

We are not just spice manufacturers — we are your behind-the-scenes partner in creating products that win hearts and markets.
